No. 115. FINANCIAL.
2nd August 1867.

The following communication from the Financial Secretary to the Government of India, to the Comptroller General of Accounts, No. 1007, dated Simla the 24th June 1867, is published for information.

"The Governor General in Council having had "under consideration the frequent applications for "special grants of advances to Military, Uncovenanted, "and other Officers in Civil employ, to enable them to "join their appointments on return from Europe, and "having considered the regulations on this head which "obtain in the Military Department, is pleased to au- "thorize you to issue to any such officer an advance of "pay to the end of the month in which he may arrive "from Europe, or to the end of the ensuing month, "provided that, in the latter case, the amount payable "to him shall not exceed Rs. 1,000."

No. 116. FINANCIAL.
2nd August 1867.

The following letter, No. 1295, dated Simla the 10th July 1867, from the Financial Secretary to the Government of India, to the Accountant General. Bengal, is published for information.

"SIR,

"I am directed to acknowledge the receipt of Mr. "Deputy Accountant General W. Clarke's letter No. "244, dated the 6th May 1867, annexing a statement "of the scale of servants and luggage said to be pre- "scribed by existing rules for Military Officers provi- "ded with free passage when they travel on duty by "sea, and soliciting instructions with reference to the "last paragraph of the Resolution No. 1467, passed in "this Department on the 23rd July 1866, for the adap- "tation of that scale to Uncovenanted Officers in a si- "milar position.

2. "On a reconsideration of the order of the "23rd July 1866, the Governor General in Council is "of opinion, that the rules on this subject prevailing "in the Military Department are inapplicable to offi-

09

"cers, whether Civil or Military, in civil employ, be-
"cause those Military Officers travelling by sea on
"Military duty, for whom the scale of baggage and
"servants submitted by you is authorized, usually carry
"tents and tent lascars as a part of their field equip-
"ment, while officers travelling by sea on civil duty
"are rarely so encumbered.

3. "As regards luggage, His Excellency in Council
"is of opinion, that, for the generality of officers travel-
"ling on civil duty, there is already sufficient provision
"in the practice of allowing every passenger on a vessel
"to carry a certain quantity of luggage, the freight on
"which is included in the charge for his passage; and
"for the exceptional cases of those officers who carry
"their tents with them, it is unnecessary to do more
"than declare that the charge for the carriage of tents
"in excess of the abovementioned charge for passage
"shall be passed as a special case."

4. "With respect to servants, His Excellency in
"Council is pleased to rule, that three servants shall be
"allowed to officers whose salaries amount to, or ex-
"ceed, and two servants to those whose salaries are less
"than, Rs. 1,000 per mensem."

5. "These instructions, I am directed to state,
"should be observed in the cases of all Gazetted Officers
"who are provided with free passage, when they travel
"on civil duty by sea, with the exception of those,
"such as the officers of the Survey, for whom a scale of
"luggage and servants prescribed by special orders of
"this Department, already exists."

I have, &c.,
(Signed) E. H. LUSHINGTON,
Secretary to the Govt. of India.
